I am applying for tutorial services. I understand that the use of this service will not guarantee a higher grade in the course, that I alone am responsible for the level of my academic achievement. I can be tutored for a maximum of three hours per week per subject.

I agree to abide by the following rules:

1. I agree to contact the tutor to arrange a time and place to meet.
2. I agree to meet with the tutor(s) at the date and time that we both agree to.
3. I will be prepared for each tutorial and will complete all homework / ready assignments.
4. I will give prior notice to the tutor when I cannot attend a tutoring session.
5. If I feel that I am not getting the help I need, I will contact the Math Dimension.
6. I will complete an evaluation of my tutor at the end of the semester.

I agree that should I miss two tutorials without notifying my tutor, I will be denied tutoring services.
